

Package ‘Qindex’

July 17, 2026

Type Package

Title Continuous and Dichotomized Index Predictors Based on
Distribution Quantiles

Version 0.2.0

Date 2026-07-16

Description

The author has retired from academic research. Accordingly, this package should not be considered a validated tool for use in peer-reviewed publications or as the basis for grant applications. Backward compatibility with user-code published in <[doi:10.1186/s12859-023-05408-8](https://doi.org/10.1186/s12859-023-05408-8)> and <[doi:10.1016/j.labinv.2023.100158](https://doi.org/10.1016/j.labinv.2023.100158)> is not maintained in versions $\geq 0.4.0$ (June 2026) of this package. The authors of those publications are the appropriate contacts for reproducibility inquiries.
